WE ARE SUPER EXCITED AS WE ARE GEARING UP FOR BUBBLE CAMP 2015! WE LOOK FORWARD TO SEEING OLD FRIENDS & WELCOMING NEW FRIENDS TO CAMP THIS SUMMER!

bubble CAMP

bubble CAMP offers children ages 2 - 4 years old the opportunity to make new friends, explore and most importantly have FUN in a safe and clean environment that was built especially for them. Campers go on weekly adventures (on a safari, digging for dinosaurs or taking care of the earth), that allow them to explore the world at their own pace with the guidance of our amazing bubble camp counselors.

We take a hands-on approach that engages campers in recreational, manipulative and dramatic play, music and storytelling, as well as cooking, science, construction and craft activities that complement our weekly themes. Each day starts with open playtime, includes a healthy snack and ends with an art project. Kids will love our uniquely creative program - you'll love hearing all about their adventures at the end of the day. Campers discover through nature, science, art, baking, construction, and so much more. Different ages work together, benefiting from the opportunity to practice cooperative work and play skills while leading and nurturing, increasing confidence and independence. Others are exposed to more complex play, advanced language and education activities by observing and imitating. A spirit of cooperation and caring nurtures an environment where children help each other and learn from one another. Summer Camp is the perfect time to discover some awesome themes such as A Day at the Beach, Marine Animals, Camping Adventures and so much more. Campers thrive in bubble's nurturing & exciting atmosphere, playing with familiar friends, while making new buddies and memories.
